Live

LEVEL
Expert

The capstone program. Board-level AI strategy, competitive intelligence, regulatory landscape, talent planning, and leading AI transformation. Includes 4 one-on-one executive coaching sessions. This architect track is structured for adult learners who need practical, career-relevant depth without academic abstraction. Delivered as a live experience, the course combines guided milestones, implementation reviews, and applied exercises aligned with modern AI, engineering, and technical leadership work.

Outcomes

- Operate with board-level fluency around AI strategy and risk.
- Build organization-wide AI roadmaps spanning talent, governance, and execution.
- Assess regulatory, competitive, and investment implications of AI adoption.
- Lead transformation programs with executive clarity and strategic discipline.

Includes

- 16 live weeks of executive seminars and strategic working sessions.
- Four one-on-one coaching sessions with tailored strategic feedback.

- Board brief templates, governance packs, and transformation scorecards.

- Peer cohort access with senior leader-level discussion and review.
